abdalmonemkara052017@gmail.com

Professional Summary

Senior Video Editor with professional experience since 2017 across television, production companies and freelance projects. Specializes in broadcast and digital content, including talk shows, social programs, news reports, promotional videos and videographics. Combines full-cycle post-production with independent podcast production, studio coordination and creative direction for selected projects.

Career Highlights Since 2017

• Edited 1,500+ talk-show episodes and 1,000+ social-program episodes across professional roles.

• Edited 1,000+ news reports and 700+ videographics for broadcast and digital media.

Professional Experience

Senior Editor | Dawam Medya

June 2022 - Present

• Edited 800+ program episodes from initial assembly through final delivery for television broadcast and digital publishing.

• Created 100+ promos and promotional pieces covering politics, social issues, news, current affairs, programs and events.

• Handle full episode and segment editing, reports, commercials and program interstitials, shaping narrative flow and visual pacing.

• Perform color correction, audio editing and finishing, preparing final versions for delivery and publication.

• Meet production deadlines and professional quality standards across post-production assignments.

• Use AI tools to support creative production tasks and improve editing workflows.

Video Editor | Television, Production Companies and Freelance

2017 - 2022

• Edited television and digital content for production companies, freelance clients and a television channel.

• Worked on talk shows, social programs, news reports and promotional materials, developing visual storytelling and broadcast editing experience.

Independent Projects

Podcast Production and Editing | Independent Projects

• Produced and edited 50+ independent podcast episodes, including projects for 7anaalan and 28 Podcast.

• Oversee studio setup, coordinate technical filming requirements and provide hands-on direction and visual presentation oversight.

• Handle full episode editing, audio processing, picture finishing and publishing deliverables, alongside promos and promotional clips.

Music Video Concept, Direction and Editing

Developed the concept, directed and edited Helm El Meidan, a music video with a runtime of 4 minutes 41 seconds.
